  - e. The Party shall be responsible for the cost of organizing and hosting the Leadership debates, including costs for venues and equipment;
  - f. Rules governing the debates will be developed by the CEO and provided to each Leadership Contestant; and
  - g. Leadership Contestants shall be responsible for costs associated with their accommodation and travel related to participating in the official Leadership Events.

## **E. Elected Office & Participation**

1. It is strictly prohibited to use services, funding, or privileges provided to publicly elected officials to support a Leadership Contestant.
2. Staff of publicly elected officials may only work on Leadership Campaigns in off hours and away from government or Party offices. They may not use any facilities or services afforded by government bodies whether they be federal, provincial, territorial or municipal.

## **F. Party Sections, Electoral District Associations, Committees, Sections, and Clubs**

1. Provincial/territorial sections of the Party, electoral district associations, party committees, youth sections, campus clubs and affiliated organizations are expected to provide equal opportunity to all Leadership Contestants to speak to and meet members of the Party.

## **PART 4**

### **MEMBERSHIP**

1. Every member of the Party in good standing 60 days before the closing of the voting (Wednesday, January 28th, 2026) (the “Cut-Off Date”) is entitled to cast a vote for the Leader in the Leadership Vote.
2. All memberships valid on the Cut-Off Date will receive a ballot irrespective of expiry date of membership.
3. Leadership Contestants shall encourage any new members to sign up online instead of using paper memberships wherever possible. While paper memberships are a tool to address access and equity concerns for some prospective members, they are also vulnerable to abuse, administratively burdensome, and lead to slower processing of new memberships.
4. Membership fees shall be paid for by the prospective member. No Leadership Contestant or a person working on behalf of a Leadership Contestant, Leadership Campaign, Third Party, or other person or entity is permitted to pay the membership fee of another person. This includes the submission of multiple membership application forms with a single form of payment. Household or family memberships may be paid for in a single payment if permitted under the applicable provincial affiliate’s constitution.
5. Leadership Contestants shall direct their supporters to sign up for a membership on a dedicated webpage provided by the Federal Party.
6. New members that sign up through a Leadership Contestant-specific membership page will be kept confidential to all Leadership Contestants until the membership Cut-Off Date. Immediately following the Cut-Off Date, the entire membership will be merged and provided to all Leadership Contestants.
7. Leadership Contestants will be provided with paper membership forms in batches of ten (10) forms upon request. Each form shall be numbered and cannot be copied or reproduced. A Leadership Contestant will only be permitted to possess five (5) batches at a time (for a total of 50 forms). Leadership Contestants may be provided with a new batch of ten (10) paper membership forms only after one full batch of ten (10) membership forms is submitted. The CEO may increase the number of batches of paper membership forms issued to a Leadership Contestant in the event the Leadership

Contestant is undertaking campaign activities in remote and fly-in locations. This shall be determined on a case-by-case basis but the decision shall apply to all Leadership Contestants.

8. The CEO will advise Leadership Contestants of any issues with paper memberships as they arise.
9. It is prohibited for a Leadership Contestant or a person working on behalf of a Leadership Contestant to pay for any fees associated with the Leadership Contest for any other prospective Party members.
10. The paper membership forms must be in Federal/Provincial/Territorial Section Offices by no later than 5:00 local time on the Cut-Off Date.
11. If the CEO finds that paper membership forms submitted by a Leadership Contestant are fraudulent and/or completed in violation of these Rules, the CEO shall administer a sanction appropriate in the circumstances, in accordance with these Rules. In appropriate circumstances, the CEO void the entirety of that Leadership Contestant's paper memberships and the affected individuals will not be made members of the Party and will not be eligible to vote.

## **PART 5**

### **LEADERSHIP VOTING PROCEDURE**

#### **A. Balloting**

1. If there is only one Leadership Contestant and no Applicant(s) pending approval after the final registration deadline, no balloting shall take place and the sole Leadership Contestant shall be declared acclaimed, effective on the Leadership Election Date. In this event, the CEO, at their discretion, may choose to expedite the Leadership Election Date. In such a case, only dates specified in the Campaign Regulations and the Nomination Regulations that follow the Leadership Election Date shall be affected. Dates specified in the regulations that occur prior to the Leadership Election Date shall not be affected.
2. If, once there are no additional Applicants pending approval and the final registration deadline has passed, there are two or more Leadership Contestants, an election with balloting shall take place.
3. The dates, times, and provisions may be adjusted at the discretion of the CEO in keeping with the spirit of the process intended.
4. An election shall be conducted using a secret ballot.
5. A ballot that is marked in such a way that it identifies the voter will be rejected.
6. An election shall use a preferential (ranked) ballot.
  - a. Using preferential voting, voters will rank Leadership Contestants in order of their preference. For example, the voter will mark their ballot by selecting their first choice as '1', their second choice as '2', and so on.
  - b. Voters are not required to rank every Leadership Contestant. Voters may rank every Leadership Contestant, a fewer number of Leadership Contestants, or as few as a single Leadership Contestant.
  - c. Voters can only choose one Leadership Contestant per rank.

7. The CEO is authorized to conduct secure balloting by mail, telephone or online, or a combination thereof, over a period no longer than 21 days, ending one day prior to the Leadership Election Date (Saturday, March 28, 2026).
8. The CEO shall determine the schedule and methods of voting and communicate such details to all Leadership Contestants no later than the 90th day (Tuesday, December, 30, 2025) prior to the Leadership Election Date.
9. Voter instruction letters will be mailed to each eligible voting member one (1) week before the voting period begins, containing detailed voting instructions.
10. There is no proxy voting.
11. Only the eligible voting member may cast their ballot with the exception that an eligible voting member who is unable to mark their ballot because of a disability or difficulty with reading and/or writing may receive assistance marking their ballot. No one assisting such a voter may influence or direct their vote.
12. Under no circumstances may a Leadership Contestant or an individual acting on behalf of a Leadership Contestant, assist any voter with marking their ballot.
13. Using another person's voting credentials is fraudulent and violates these Rules. Any Leadership Campaign found to have sanctioned, coordinated, or engaged in the misuse of voting credentials may be subject to sanctions on the recommendation of the CEO.
14. The CEO may monitor the timing and origin (including IP addresses and phone numbers) of votes cast to detect possible fraud or impropriety. The CEO may investigate any suspicious activity and may recommend sanctions pursuant to these Rules.

## **B. Counting**

1. A Leadership Contestant must obtain a simple majority of all valid ballots cast to be declared elected Leader.
2. If a simple majority is not achieved on the first count, the Leadership Contestant with the lowest number of votes in the first count is eliminated and the ballots for that Leadership Contestant are reallocated to the Leadership Contestant marked as the second choice on each of those ballots, and a new count is produced.
3. Additional rounds of counting shall continue in this manner – dropping the Leadership Contestant with the lowest number of votes and reallocating their next choices, with a new count produced – until one Leadership Contestant obtains a simple majority of all valid ballots cast on a round.
4. A ballot shall be declared invalid and rejected if it does not clearly indicate the voting member's preference on the first round of counting, or in a subsequent round of counting.
5. The CEO shall develop a protocol and process for Leadership Contestant representatives to scrutineer the results, while maintaining the secrecy of all ballots.

## **C. Results**

1. The results of voting shall be publicly announced by the CEO on the Leadership Election Date.
